Market Information

The prevailing market for the ring is a guild type independent jewelry store that sells ideally proportioned diamonds and diamond bridal jewelry. This is the market which was researched and in which the item has been valued. The current Retail Replacement Equivalent New was estimated using the appraisal approaches described under the heading Market Selection.

|  |                    |
|--|--------------------|
| Retail Replacement Equivalent New                            | \$19,000.00        |
| 9.25 % Tax   | \$1,757.50         |
| <b>Total Retail Replacement Equivalent New Including Tax</b> | <b>\$20,757.50</b> |
